PRODUCT INFORMATION

Product	DOMINO
Company	CHEMSEARCH

The above product can be used as a surface sanitizer in and around food processing areas, where it is not intended for direct food contact. Use of this product in food processing or handling facilities requires that all food products and packaging are protected prior to using the product. Rinsing is not required.

A handwritten signature in blue ink, appearing to be "J. Dixon".

James Dixon
Technical Support Manager - Europe

Date: 19/02/2009
