To whom it may concern:-

**NCH EUROPE**

**PRODUCT INFORMATION**

Product                      **F01 Chlor**

The above product is approved for use for the disinfection of surfaces in and around food processing areas. Use of this product in food processing or handling facilities requires that all food products and packaging materials be removed or protected prior to using the product. After use, the surfaces must be thoroughly rinsed with potable water. When used correctly according to the label directions the product should not leave a visible residue.

A red circular stamp with the text 'NCH EUROPE' at the top and 'EUROPEAN TECHNICAL CENTRE' at the bottom. A blue ink signature is written across the center of the stamp.
